

Reminders for Men's Health Month

Have you been putting off getting care or just feel like somethings off? First Stop Health Virtual Urgent Care provides you with convenient care via phone or video!

Your doctor can help with:

Quick treatment for a variety of symptoms.

Talk to a doctor 24/7 for minor injuries, skin issues, sinus infections and more. Request a visit to get answers in minutes!

Answering Questions.

No question is too big or too small. Ask your doctor about medications, aches and pains, and more.

Getting prescriptions.*

Doctors at First Stop Health can prescribe one-time refills of regular medications as well as common drugs (such as allergy or antiviral medications).
