

# Our guide to calling a First Stop Health provider

## Save our phone number

*You'll know who is calling when we call you back!*

1. Open your phone contacts, add a new contact
2. Add the name: First Stop Health
3. Save our number: 888-691-7867

## How to call for care

1. Dial 888-691-7867
2. You'll be connected with an intake specialist. Answer questions about what your concern is and any personal information.
3. A provider will call you back in < 5 minutes on average.
4. After your visit you can view your provider instructions, rate your visit or access any prescription information on the app or website.

## Download the app

Getting care is even easier with our mobile app. You can request or schedule a visit, view past visit notes, update your profile and more!
