

Care available 24/7

Stay Healthy This Holiday Season — Anytime, Anywhere!

The holidays are for joy, not waiting rooms. Whether it's a sudden cold, a minor injury, or a late-night fever, virtual urgent care is here for you — day or night, even on holidays.

- ✓ Talk to a board-certified provider
- ✓ No need to leave home
- ✓ Prescriptions* sent directly to your pharmacy
- ✓ Visits via phone or video
- ✓ Care for cold & flu, pink eye, rash, nausea, sinus issues, and more

Download the app

Use the app to request care in just a few taps, review visits, download sick notes, and more.
