

# The best ways to use your benefit in 2026!

First Stop Health is here to support your health all through 2026! Here are a few ways to use your 24/7 virtual urgent care benefit this year.

**24/7 on-demand care** for health issues like cold, flu, UTI, rash, dry skin, sinus issues and more.

**One-time prescription refills when appropriate\***, including for hypertension, asthma, diabetes, anxiety and more.

**Answers to your medical questions**, including “Does this rash look okay?” and “Should I go to the ER for my stomachache?”
