

Care that travels with you for the holidays.

No matter where the holiday season takes you, we're just a tap away! Here's how providers at First Stop Health can help:

- ✓ **Get care from wherever you are**
With First Stop Health you can get care via phone or video right where you're comfortable.
- ✓ **24/7 care in minutes**
Urgent care providers call back in 5 minutes on average! Get care when you need it, including nights and weekends.
- ✓ **Prescriptions in a pinch**
When appropriate, providers at First Stop Health can provide one-time medication refills and can prescribe* things like Tamiflu, allergy medication, and more.
- ✓ **Find some peace of mind**
It's easy to stress about what to do when you're away from home. Get personalized medical advice from an expert!
